Comments:

“For me, all are done well, just never go down. Keep it up. Thank you for facilitating.”

“Tries to run the whole course with the attitude of respect.”

Comments:

“The course is valuably helpful, however, we had it two times already prior to this schedule. But, as a refresher, its still good.”

“More trainings with parish workers and parish priests.”

Comments:

“Give this too to our Finance Council.”

“Everything is excellent, but the least valuable part I think is on the part of the clergy, our seriousness in the application of our learning.”

Comments:

“I want to learn more from our instructors. They are very Christian.”

“Just a little alignment on the prevailing need of the participants. Maybe a need analysis also on the part of the participants.”

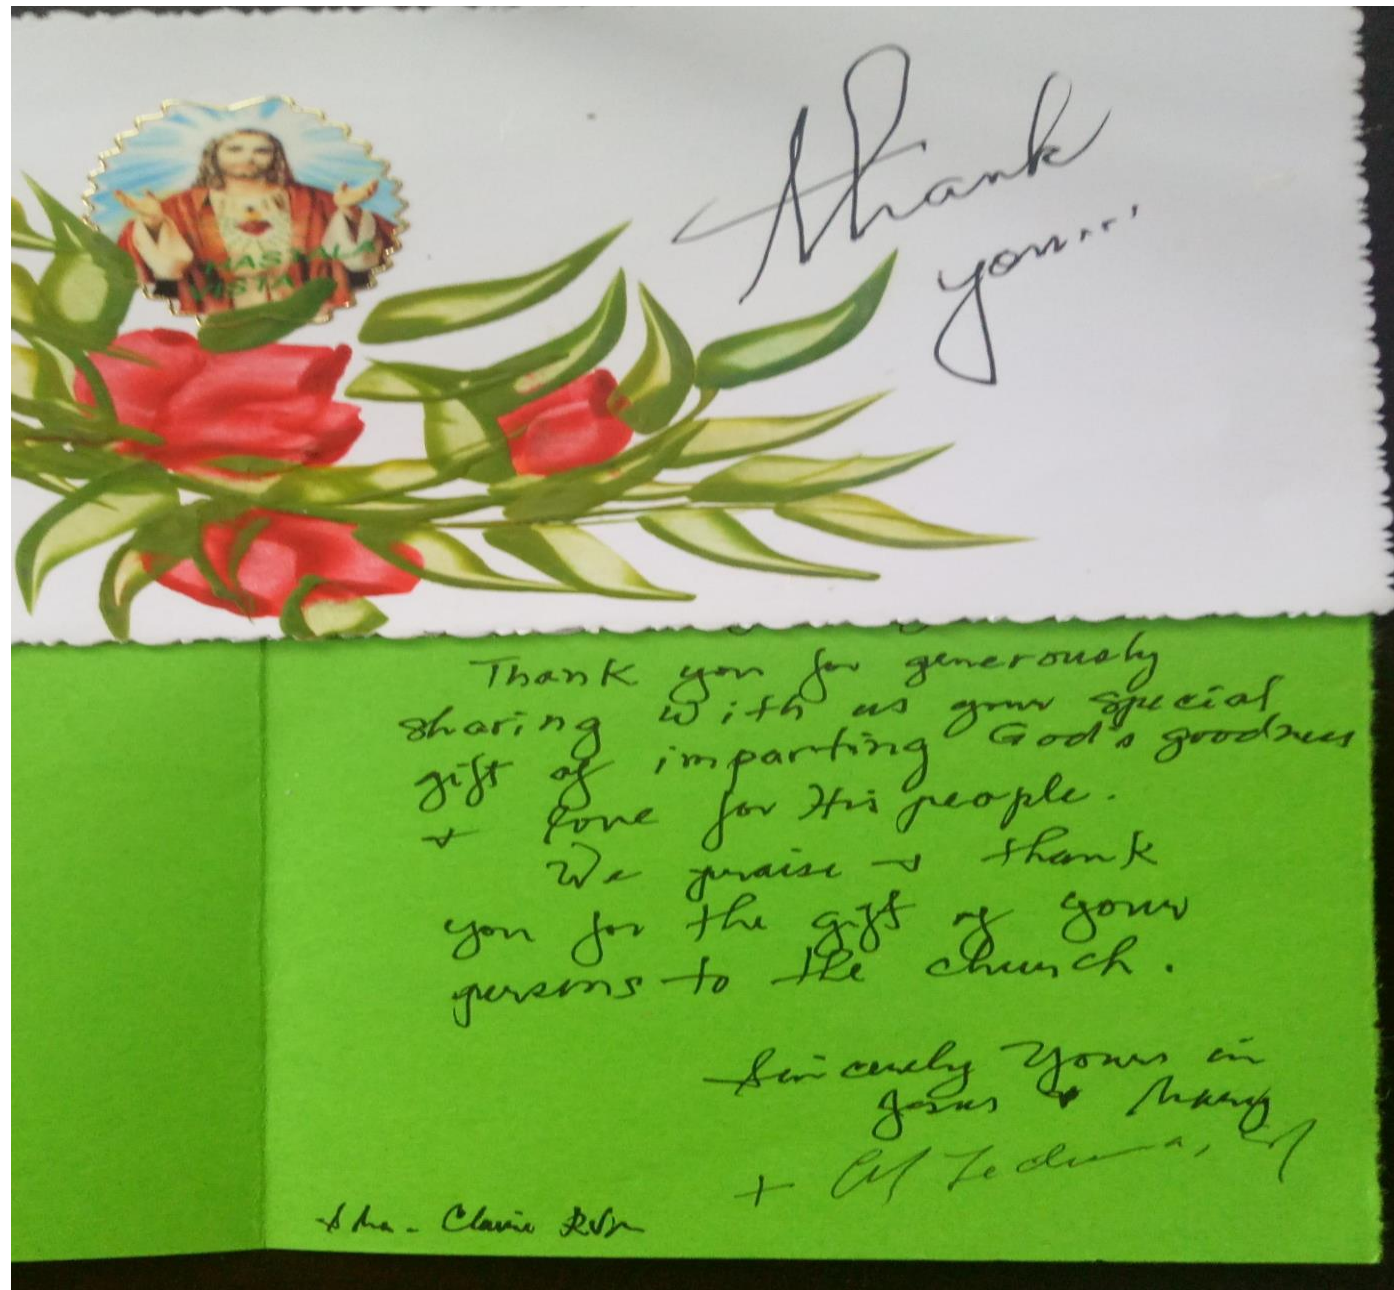

Comments:

“More actual exercises.”

“First, we should always remember that we are not businessmen, but priests. Second, conduct an Archdiocesan Financial Management to our Financial Councils throughout different parishes.”

Comments:

“Keep going teaching priests in
Financial Management.”

Thank you for generously sharing with us your special gift of imparting God's goodness and love for His people.

We praise and thank you for the gift of your persons to the Church.

Archbishop Antonio J. Ledesma, S.J.
